

Appl. No. 10/092,379
10710/151 (PTG-0867-US)
Reply to Office Action of April 6, 2005

REMARKS

The Office Action notes that claim 37 includes subject matter not supported. While the Applicant does not agree, in the interest of obtaining allowance of the application, claim 37 has been amended to remove the objected to phrase. All the claims should now be allowable and notification to that effect is requested.

If, for any reason, the Examiner feels that the above amendments and remarks do not put the claims in condition for allowance, the undersigned attorney can be reached at (312) 321-4276 to resolve any remaining issues.
